

Student Testimonials

Emmanouil Pappas, 19, Greece

“The facility and staff of Academia make me feel motivated, fulfilled and help me to improve my knowledge in English. Everything I have learnt was exactly what I needed.”

Adelia Rachma Shakuntala, 26, Indonesia

“I love Academia because of the location. It’s right in the CBD. I’ve been in the IELTS class for a couple of months. I do enjoy this class because we have highly skilled teachers who always help us with the difficulties we have. I definitely will miss Academia when I finish”

Cheng-An Ko, 32, Taiwan

“In Academia we have learnt the language from the best teaching style throughout this school’s courses. It has been a wonderful journey over the past three months.”

Rada Wattanalurdphada, 27, Thailand

“I have an amazing teacher that always helping me in class and make me achieve more. This class gave me all what I need for the future education, for example, they taught me how to organise my study plan, how to be successful in your future career. I am thankful for the people in this school for being more than friends and teachers but I feel it’s actually a big family.”

David Golant, 29, Bulgaria

“The experience in Academia gives me the opportunity to enhance my English language skills. By using emotive and interactive approaches, teachers aid us in achieving our full potential. Last but not least, the friendly international environment motivates me to perform better.”

Joseph Michael Sohun, 27, Mauritius

“I am studying EAP and till now am very satisfied. I never thought one day I will wake up and be so excited to go to school. My teacher is amazing, she knows exactly how to deal with me. She make me feel so confident and she never put a lot of pressure on me to make me feel stress or nervous. She’s just perfect. In my class there are students from different countries. All the time I am learning words and knowing more about their culture. Academia is the right place to be.”
