LEISURE AND LESSONS IN QUITE THE RIGHT MIXTURE

It's nice when everything comes together perfectly right from the start. Each of our schools is staffed year round with professional language teachers.

From beginner to advanced level everyone is welcome: our courses cater to a range of ages, as well as different language levels. We also have a leisure programme which is well organized and extremely diverse. Everyone is encouraged to use their newly learned language throughout!

This is why we want you to explore your school's surroundings and all it has to offer. Our schools provide a bridge to the local culture and habits of the region: something we have been successfully doing for the past 35 years.

Our courses

Regardless of your choice of course, you'll have the chance to develop your language ability both quickly and effectively. Our Standard Course, of 20 lessons per week, aims to give a dramatic boost to your confidence in a foreign language, with focused teaching in all 4 skill areas: speaking, listening, reading and writing. Our Intensive Course builds on our Standard Course, with 10 additional lessons per week, focusing on the fastest possible language acquisition.

The **Standard Course** generally takes place between 9:00h and 12:30h, Monday to Friday. Students who choose the **Intensive Course** have 2 additional lessons focused on conversation between 13:00h and 14:30h. Our Standard Plus Course (24 lessons per week) helps you to obtain the F1 visa to the USA. Depending on the location, standard classes are sometimes held in the afternoon. Each lesson consists of 45 minutes of learning, writing, practising and listening.

Students are placed into classes according to their current language skills. The majority of our students take an online language test prior to commencing their programme, however if this is not available, students may take the exam on the first Monday of their course.

Learning materials are provided to students on loan (5 - 10 EUR/week) throughout their course. Class sizes are on average 15 students per class.

Supervision

Throughout the trip learners are accompanied by our "Teamers" – young adults between the ages of 20 and 30 who have been specially trained to accommodate the requirements of our young learners. Our Teamers come from all over Europe and America, and communicate with students exclusively in the language being taught. Each Teamer is responsible for the supervision of around 15 students, travelling with the group, leading guided tours and activities, checking where

the students are going during their free time, as well as staying with them at the residence. Teamers are also responsible for the organisation of the leisure activity programme. Students aged 17 and under are expected to observe a curfew and follow the full leisure programme. Students aged between 18 and 20 also enjoy the complete support of the Teamers, and while not bound by the leisure programme, they are encouraged to take part in any activities which are of interest to them.

Leisure programme

The learning journey continues as soon as classes finish! With our comprehensive leisure programme students have the opportunity to really discover their chosen destination. A two-week language course generally includes a big variety of activities plus at least one full-day excursion and two half-day excursions (see table below for more details). Of course, students are also given some free time to socialise in the afternoons and evenings!

Transfer

Our U20 programmes offer the full package – students are in good hands from arrival to departure. Students will be picked up at the airport upon arrival and brought to their accommodation.

For this, we require the student's full flight details at least 4 weeks before the course commencement. Transfer time windows vary depending on the destination, and detailed information can be found on the individual school pages. Students travel to and from the airport with their fellow classmates, most of whom they will be meeting for the first time. The transfer provides students with the first opportunity to make new friends. Students generally check in to their accommodation in the afternoon and vacate their room in the morning on the day of departure. They may be asked to pay a key deposit which will be returned on departure.

Unaccompanied Minor Service

With our unaccompanied minor service parents are informed of the name, telephone number and the address of the transfer driver in advance of the start of the trip. Please note that we only offer the unaccompanied minor service if this is required by the airline booked for the flight of your child.

We understand that sampling new food can play a big part in discovering a new country and its culture.

Students are provided with breakfast, dinner and either a cooked or packed lunch (which consists of a sandwich, a drink and a dessert/snack).

Students always have the opportunity to try something typical of the country. Each year we welcome thousands of students to our schools and boast over 35 years of experience in catering to students with a variety of dietary needs.

We ask you to let us know of any allergies/dietary requirements when making your booking, as well as information about any medicines you take. This information is given to the Teamers and, if necessary, the homestay (surcharge may apply).

By staying with locals, students discover the customs and habits of their destination right from the start, sampling authentic local cuisine and discovering how the locals really live. Learning continues even when lessons have finished. Our friendly hosts are experienced in hosting international students and play an integral part in their learning experience.

A few homestays may be located outside of the centre, which means students get to know parts of the destination typically undiscovered by tourists.

Joint accommodation: If you're planning to travel with friends and would like to share your room with someone in particular, please let us know well in advance, so we can take this into consideration when allocating accommodation. We can't guarantee all requests, but we will do our best!

Residence / College

At a residence, students usually stay closer to school than they would with a homestay, which means less travel time and more time enjoying their surroundings. They will get to stay with other students from all over the world, allowing them to apply their new language skills in an international environment. Our Teamers also stay at the residence. Our Colleges offer accommodation and classes all in one place.

Our **Club Village in Malta** is truly unique. The accommodation is right on campus, alongside the language school, swimming pool, restaurant and sports facilities. Choose from a range of room types, from a twinto a 7-bed-room. Our Teamers also stay in the Club Village. Our breathtaking campus consists of striking limestone buildings, which truly captures the spirit of this Mediterranean paradise.

Sprachcaffe Brighton boasts a very central location, with countless places of interest just around the corner. The seafront is without a doubt the most popular meeting place for international students.

Our guests can choose between staying in a shared room at a homestay and staying with their fellow students at our residence.

Our striking residence is situated right on the seafront and offers great quality accommodation. At both, our residence and college, you'll get to stay with other students.

The majority of our host families are not located in the city centre, which means students may have to take the bus to school.

Please note the college programme and accommodation is not accredited by the British Council.

In the summer, the life of the rich and famous, and also of students, mostly takes place at the beach. Canoeing, banana boat riding and water skiing are all possible! And if you're not just looking for exciting beach life, you need to visit one of the many fascinating museums or take a stroll through the world-renowned market, "Cours Saleya", and see the historic centre of Nice with its myriad of alleyways.

Don't forget to pass by the bistros and cafés and walk along to the "Promenade des Anglais", following the footsteps of many famous movie stars.

Beijing has over 13 million inhabitants and is the political and cultural centre of China. Our Sprachcaffe school is located close to the Forbidden City, a majestic palace complex in the very heart of the city.

Regarded in more recent times as the trade and retail epicentre of Asia, Beijing has retained its mystery aura from the past. Since the Olympic Games, the city has undergone substantial changes.

Cancellation insurance is available at 2% of the total amount (minimum 45GBP/55EUR/55USD/70CAD). The insurance fee must be settled at the time of registration and will only apply if you cancel prior to departure due to health reasons (a written medical confirmation is required as proof). In the unlikely event the school is unable to create a group course due to an insufficient number of students of the same level, smaller classes for a reduced number of lessons will be provided instead (standard = 12 lessons / intensive = 18 lessons, i.e. standard + 3 one to one lessons). The minimum number of participants is 4. Under the rare circumstances of our being forced to cancel, all fees paid for Sprachcaffe Languages PLUS services will be refunded.

- **4. Visa:** In order to provide the letter of acceptance required by the embassy for issuing a visa, 40% of the total amount should be paid together with an additional charge of non-refundable 40 GBP/50 EUR/50 USD/65 CAD or equivalent (in USA and Canada this amount is included in the registration fee); non-refundable shipping fees may apply. In the case of visa refusal, a full refund minus the additional, non-refundable fees can only be made if the student provides the letter of refusal issued by the embassy at least 15 days before departure (evidence of visa refusal is required). After this date we will consider the participation of the student as confirmed and normal cancellation/rebooking charges will apply. In case the visa has not yet been issued 16 days before departure, we strongly recommend postponing the course. In this case, the first rebooking fee will not be charged.
- **5. Acceptable forms of payment:** By bank transfer: The relevant account number will be on the invoice. Please send us a copy of the transfer order. All bank charges will be incurred by you. By credit card: Upon your notification, the appropriate form will be sent. It will need to be completed with the name of the credit card issuer, card number, expiry date and signature. An additional 2% credit card fee will be charged.
- **6. Insurance:** Neither agent, operator, nor the school will be held responsible in any way for any accident, illness, loss of personal effects or change in personal circumstances arising at any time prior to or during the course. We therefore strongly recommend a personal travel insurance (incl. Health, Accident, Liability, Deportation: Basic protection from 1 GBP/1.30 EUR/1.30 USD/1.70 CAD per person per day plus a service charge of 10 GBP/13 EUR/13 USD/ 17 CAD).
- 7. Liability: Parents of minors agree that neither Sprachcaffe Languages PLUS nor the homestay family shall be liable for damage or problems caused either negligently or intentionally by their children while participating in trips. Parents and their children who are still minors recognize and accept the laws and the normal code of conduct of the country, which they are visiting.
- **8. Rights to image and film material:** By agreeing to our general terms and conditions, you are accepting that Sprachcaffe Languages PLUS has the right to use any photos, video and sound recordings, which may be produced in the course of a language programme. These materials may be used by us for promotional purposes without cost implication or the need for a separate authorization from you.
